

38 dBi GPS Marine Antenna
Model No.SRFS-GPS38D-0.3

| Electrical Specification | |
|--------------------------|----------------------------|
| Frequency Range | 1575.42 + 3 |
| Polarization | RHCP |
| VSWR | ≤ 2 |
| Gain | 38 dBi |
| DC Current | 5 ~ 15 mA |
| DC Voltage | 3V~5V |
| Lightening protection | DC Ground |
| Noise Figure | <1.5 dB |
| Input Impedance | 50 Ω |
| Mechanical Specification | |
| Radom Color | White |
| Connector | N(F) or Customized |
| Cable | Rg 58 300 mm Or Customized |
| Mounting | Pole |
| Waterproof | IP 67 |
| Environmental Friendly | RoHS Compliant |
| Relative Humidity | Up to 95% |
| Operating Temperature | -40°C to +60 °C |
